# Annual Fest – 2023

(19th Dec. to 22nd December)

The much-anticipated Annual Sports Day Celebration was held with great pomp and show at Oriental Public School on 26th November 2022. The event witnessed the presence of esteemed guests, Mr Kundan Kumar IAS, Collector of Sarguja as the chief guest, and Mr Sanjay Guhe DEO, Sarguja as the guest of honour.

The day commenced with a spectacular flank parade, showcasing the agility and discipline of the school's various houses. The students put their best foot forward, marching in perfect synchronization and leaving the audience spellbound. The welcome address was delivered by our respected Principal Sir, who extended warm greetings to all the participants, guests, and parents.

To set the tone for the event, a captivating welcome song was sung by the talented students, which filled the atmosphere with vigor and enthusiasm. The cultural events that followed truly showcased the diversity and talent of the students. Performances included dances, and musical performances, all highlighting different cultures and bringing them together on one platform.

An enthralling yoga presentation demonstrated the importance of mental and physical well-being. The students showcased various yoga asanas and emphasized the importance of a healthy lifestyle through these graceful movements.

The highlight of the day was, of course, the various sports events that took place. Students from different age groups took part in races, long jumps, high jumps, and many other athletic competitions, showcasing their skills and determination. The winners of each event were felicitated with prizes, inducing a sense of motivation and achievement among the participants.

Our Vice Principal Sir then proceeded to present the school report, highlighting the achievements and progress made by the students throughout the academic year. This report shed light on both academic and extracurricular achievements, showcasing the school's commitment to holistic education.

The vote of thanks was delivered by the head teacher, expressing gratitude to everyone who contributed to the success of the event. The guests, management, teachers, parents, and students were all acknowledged for their valuable support and efforts.

The Sports Day celebration concluded on a fun and competitive note with a thrilling musical chair competition involving the parents. Laughter filled the air as parents eagerly participated in the event, showcasing their enthusiasm and sportsmanship.

Overall, the Annual Sports Day Celebration at Oriental Public School was a resounding success. It not only provided a platform for students to exhibit their skills and talents but also fostered a sense of camaraderie and healthy competition among them. The event highlighted the school's commitment to holistic development and provided an opportunity for the students to learn and grow in various aspects of life.

**26 January 2024**

The students of Gyan Ganga Educational Academy, Raipur received 1st prize for their outstanding performance in the cultural event during the 75th Republic Day celebrations at the Police Ground, Raipur. The honourable Governor of Chhattisgarh, Shri Biswabhusan Harichandan honoured the students with prestigious 'Best School Award' for their impressive and enchanting dance performance.

On the eve of the 75th Anniversary of our Independence, Gyan Ganga Educational Academy celebrated the call of our revered Prime Minister Shri Narendra Modi's Azadi ka Amrit Mahotsav in its euphoric uniqueness.

Even the pelting rain could not deter the determination of our students who came out to celebrate the joyous occasion. Our respected Principal Ma'am hoisted the flag and encouraged the children to always upkeep 'virtue' and 'discipline'; the two pillars on which our organization has built its foundation. She amiably explained to the children that each one of us can do something for the betterment of our country and elucidated examples that everyone can follow. She also enlightened us on the slogan – "Jai Anusandhan" and its importance for our country.

Our cadets of NCC from both Army-wing and Air-wing braved the cold air and rain to pay homage to and honour our Tricolour. The drumroll, the beating periodic footsteps of our cadets, and the mellifluous song of 'Vande Maa taram' by the choir group elevated the atmosphere in such a way that all present could feel connected to the essence of being grateful to be able to be born in an Independent India.

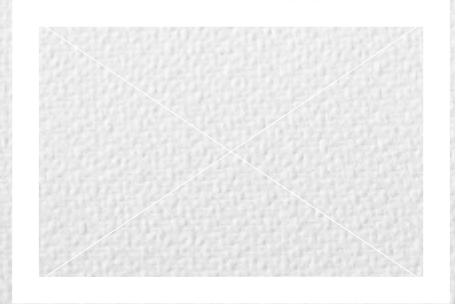

And as some traditions have withstood the test of time and still stand and have become inseparable from our culture; it was ensured that everyone present should get to taste the sweetness of the effervescent occasion and thus the program concluded.

## Pariksha Pe Charcha 2024

Date: 29.01.2024

Honourable M. P. Shri Sunil Soni pays a visit to Gyan Ganga Educational Academy

It was a proud moment for the Academy when the Honourable M.P. Shri Sunil Soni visited the Academy to grace the occasion of Pariksha Pe Charcha 2024. Also present on the occasion was the CEO of the Academy Shri Sachin Shandilya and the Principal Shrimati Pratima Rajgor, teachers and students. The honourable Minister at the outset lit the Sacred lamp to start the day on positive and sacred note. The Principal of the academy welcomed the Honourable Minister with a bouquet and introduced the M. P. who is also the member of the 5 important committees formed by the Govt. of India. The Principal also promised to mould the students and prepare them to face the new India of our dreams.

The Honourable Minister addressed the student fraternity. He stated that no student should have the "Exam Phobia" instead they should make preparation and remain stress free. He urged the students to work hard and carve a niche for themselves and serve the society. Shri Suni Soni told the students that they are to take the blessings of their elders and even their domestic help, as they will go a long way with their blessings. Sir, wanted the students to come to school with a free mind so that they take their studies in lighter vein and bring out great results. The honourable Minister then participated in the "Pariksha pe Charcha 2024" programme hosted by our Honourable Prime Minister Shri Narendra Modi ji, in which 1500 students participated.

As is customary of the academy, Ganga Jal was presented to our chief guest by the Principal, she also thanked him for sparing valuable time and making his presence felt. She also promised to maintain the rich culture and heritage of the school.

# Blessing Ceremony

held at Gyan Ganga Educational Academy for class 12th Students

The blessing ceremony for the students of class 12th was conducted on the 12th of February 2024 to invoke positive energy, bestow blessings and provide encouragement as they approach a crucial phase in their academic journey.

The ceremony took place in the school auditorium, providing a solemn yet inclusive place for the guests, students and teachers.

The ceremony began with a warm welcome to the Chairperson of the academy Shrimati Manju Shandilya by the Principal Shrimati Pratima Rajgor.

The lighting of the auspicious lamp was followed by the Saraswati Vandana, to seek blessings from the divine for the success and well being of the students.

The highlight of the ceremony involved the blessing ritual where teachers from the primary grade to the teachers of the senior grade offered their heartfelt blessings to the students. Teachers blessed the students in the form of song, poetry and touching speeches. The students were all ears, during this ritual.

The Principal of the academy screened a motivational video, which the students intently watched while munching on some crunchy snacks & juice.

The Do's and Dont's of the boards examination were discussed with the students. Strict instructions were given by the Principal with regard to the discipline and protocol of the exam.

Keeping the best for the last, a video by the Principal which portrayed the journey of the Students from class PP-I to class XII. It was indeed a very emotional moment, when students were moved to tears as they relived their yesteryears for a few seconds.

The ceremony concluded with the Chairperson of the academy blessing the students and expressing gratitude to all of them. Madam stated that she wished to see every child in a very good position.

The blessing ceremony, served as a meaningful and memorable event, fostering a sense of support and encouragement among students. It provided a moment of reflection, inspiration and blessings as the class 12 students prepare for their upcoming board examination.

The students were treated to a sumptuous lunch and their admit cards were distributed.

The day ended with mixed feelings for the staff and students.

## ENHANCING COMMERCE ACTIVITY

Commerce students recently engaged in a dynamic PowerPoint Presentation (PPT) activity as part of their skill development program. The primary objective was to hone their communication and presentation skills, allowing them to effectively convey complex concepts through visually engaging charts and slides.

### Activity Details:

#### 1. Topic Selection:

- Students were given the freedom to choose topics related to their coursework.
- This encouraged them to explore areas of personal interest and align the activity with their academic pursuits.

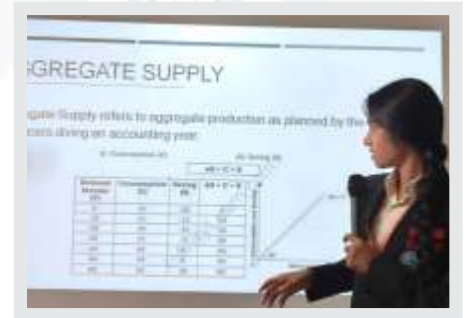

#### 2. Chart Preparation:

- Emphasis was placed on the creation of visually appealing and informative charts.
- Students employed tools like Excel and PowerPoint to design graphs, diagrams, and charts that complemented their presentations.

#### 3. Content Development:

- The participants focused on clear and concise content, ensuring that the information presented was both accurate and accessible to the audience.
- They integrated key concepts, real-world examples, and statistical data to enhance the credibility of their presentations.

#### 4. Delivery Techniques:

- Students underwent training on effective presentation techniques, including voice modulation, body language, and maintaining eye contact.
- Feedback sessions were conducted to refine their delivery style and enhance overall presentation skills.

#### 5. Peer Review:

- A peer review component was incorporated, allowing students to receive constructive feedback from their classmates.
- This collaborative approach fostered a supportive learning environment and encouraged students to refine their presentations based on diverse perspectives.

#### 6. Q&A Session:

- Following each presentation, a question and answer session provided an opportunity for presenters to demonstrate in-depth knowledge and critical thinking.
- This enhanced their ability to think on their feet and respond to queries confidently.

#### Outcome:

The PPT activity proved to be a valuable experience for the commerce students, yielding several positive outcomes:

- Improved communication and presentation skills.
- Enhanced proficiency in using technology for data visualization.
- Increased confidence in delivering complex concepts to an audience.
- Strengthened critical thinking and analytical abilities through Q&A sessions.

#### Conclusion:

The PPT activity not only served as a practical application of theoretical knowledge but also fostered a collaborative learning environment. By combining chart preparation, content development, and effective delivery techniques, the commerce students successfully developed essential skills that will undoubtedly contribute to their academic and professional success.

## EVS

THE LIFE SKILL CLUB at GGEA organised an event on topic Compounding and wealth creation.

Compounding is a fundamental concept in finance that refers to the process of earning interest or returns on an initial investment and then reinvesting those earnings to generate additional income. The benefits of compounding are significant and can be summarized in the following points:

1. Exponential Growth: Compounding allows your money to grow exponentially over time. As you reinvest your earnings, your base investment increases, and you earn returns on the larger sum, leading to accelerated growth.
2. Wealth Accumulation: Over a long investment horizon, compounding can help individuals accumulate substantial wealth. Even modest contributions can lead to substantial savings due to the compounding effect.
3. Time Value of Money: Compounding emphasizes the importance of time in investing. The longer your money is invested, the more it can grow. This is why starting early with investments is crucial.

## FANCY DRESS COMPETITION

## Life Skills Activity

Glimpses of Life Skills activity on the topic "Empathy and Sympathy" at Gyan Ganga Educational Academy, Raipur

A life skills activity on the topic of empathy and sympathy was conducted at Gyan Ganga Educational Academy Raipur for Class 10th students. The purpose of this activity was to help students understand the concepts of empathy and sympathy and to encourage them to develop these crucial emotional skills.

The activity was structured as a short skit or role-play. The scenario involved two main characters, who were friends facing different challenges.

### **Scenario 1 - Empathy:**

In this scenario, shared the match winner performance. All were encouraged to portray empathy by actively listening to providing comfort, and expressing understanding.

### **Scenario 2 - Sympathy:**

In this scenario, shared loss about a recent friend's loss. The students were tasked with expressing sympathy by offering condolences, support, and comforting words.

### **Discussion:**

The students were encouraged to share their thoughts and insights. Key discussion points included:

The distinction between empathy (feeling with someone) and sympathy (feeling for someone).

The importance of listening, understanding, and offering emotional support to others.

How empathy and sympathy can enhance relationships and create a more compassionate community.

At the end of the activity, few students expressed their views on what they had learned:

This activity helped to see how one can be there for any one when they're going through tough times. It's not always about fixing their problems but just being there to support."

### **Conclusion:**

The empathy and sympathy activity provided students with a practical and interactive way to grasp the concepts of empathy and sympathy. It encouraged them to develop these essential life skills, fostering a more compassionate and supportive school community.

The race brought forth a diverse range of robotic creations. Participants had the liberty to design their robots using various configurations, sizes, and technologies, which led to a fascinating display of ingenuity.

The race was not just about speed but also about overcoming technical challenges. The participants had to ensure that their robots could navigate obstacles, follow a predetermined track.

Competition Format: The competition featured multiple rounds, including time trials and elimination rounds. Teams were evaluated on their robot's performance in terms of speed, accuracy, and the ability to complete the track.

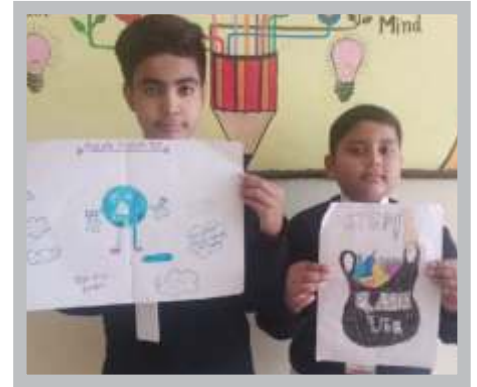

## SAY NO TO PLASTIC POSTERS

### and PAPER BAGS as their Science Enrichment Activity.

Plastic bags are most convenient to use when shopping, either for groceries or daily provisions. Being lightweight, easy to carry, and readily available in the market. However, this convenience of using them comes at a very high cost that may affect the environment and our human health negatively.

There are many eco-friendly alternatives to plastic bags like recycled paper bags or jute bags.

On 24/01/2024, students of Class IV have made "SAY NO TO PLASTIC POSTERS?" and PAPER BAGS as their Science Enrichment Activity.

## SOLO DANCE

### AI Model

The students of Gyan Ganga Educational Academy Raipur took part in the "Techno Vidhya" competition at Anjaneya University in Raipur and secured 3rd position among 18 Schools, Krishna Puri, Suyash Prasad, Srijan Gupta and Zaman Inam of class XI presented a model "BEEP VISION" for Visually impaired people.

The students of Gyan Ganga developed a smart solution using ultrasonic glasses. The glasses are also fitted with vibrator rather than a buzzer as constant buzzing sound would be more of a nuisance rather than a help.

The Smart Glasses would offer the following Advantages:

- Ultrasonic Based Obstacle Detection
- No Need to Carry System as it is mounted on Wearing Glasses
- Silent Vibration Alert on Glasses
- Light Weight System

The system makes use of 2x Ultrasonic sensors, an atmega microcontroller, battery, transparent glasses, basic electronic components and a PCB to develop this system.

The glasses can detect obstacles and transmit this to the blind person. The ultrasonic sensors are mounted on glasses on 2 sides to act as eyes. The sensors constantly transmit and receive ultrasonic waves to receive obstacle data. The Microcontroller is constantly getting this data from the sensors.

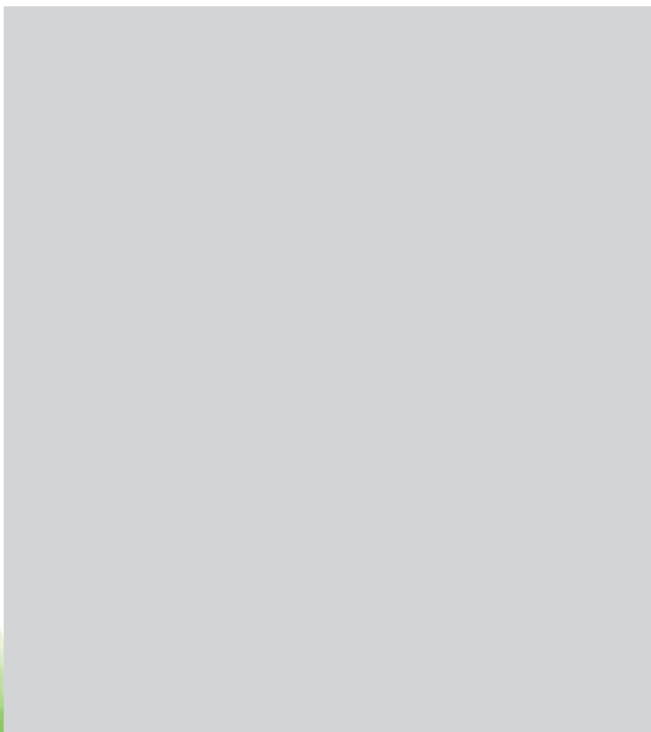

It was a remarkable show of talent. The judges were highly impressed with the presentation skills of the students and congratulated them.
